For the past 5 years I've been working as a software developer in Spain and Germany. Focused on Web development but interested in Computer Science in general. I approach my duties with humility, and *avoid clever tricks like the plague*.

Professional experience

REAL.DIGITAL GERMANY

Software Engineer *Aug '17 —*
Stack: Symfony, Vue.js, RabbitMQ, Git.

UNIVERSITÄT DUISBURG-ESSEN GERMANY

Researcher *Oct '16 — Jun'17*
Thesis topic: *Text Mining applied to Learning Analytics*. **Collide** ☞ research group.

COGNIZANT TECHNOLOGY SOLUTIONS SPAIN AND BELGIUM

Software Engineer at KBC Bank & Verzekering *Aug'14 — Jun'16*
Part of a remote team integrated in an Agile environment, focused on its Web banking application (KBC Touch). Working on different projects: Current & Savings accounts, Sign up for a new account. Strong focus on usability (**most user-friendly** ☞ banking app in Belgium in 2016).
Stack: AngularJS, Jasmine, Java, Git, Atlassian tools, and Node.js based automation tools.

CRESERTEC S.L. SPAIN

Software Engineer *Dec '12 — May '14*
Part of a small team building eCommerce sites from scratch, REST APIs and their counterpart Android applications. Involved in all the stages of development: relational data modeling, backend infrastructure, frontend design and UX.
Stack: PHP (CakePHP & Silex), Python (Flask), JavaScript, Java (Android), Git, MongoDB, MySQL.

Education

M.SC. IN COMPUTER SCIENCE. Universität Duisburg-Essen. Germany *Jun '17*
M.SC. IN COMPUTER SCIENCE. University of Valladolid. Spain *Jun '16*
B.SC. IN COMPUTER SCIENCE. University of Valladolid. Spain *Jun '12*

Skills

I started my career using the LAMP stack and then moved to the MEAN stack. I usually work with JavaScript, Python, and PHP. Experience with Web frameworks like AngularJS, Vue.js, and some of React. Solid knowledge of Computer Science fundamentals. Immersing myself in functional programming and Text Mining. Git. Comfortable working on *nix environments (MacOS, Ubuntu).
Spanish (mother tongue), English (full professional proficiency), German (basic).

Personal Projects

These are some of my personal projects published on Heroku and Google Play Store.

F ☞ . Sentiment analysis of the tweets of Valladolid city.

Apr '15

Cassandra ☞ . Departure times for Palencia's bus lines always right in your pocket.
