

# ENRIQUE MARCOS

Ruhrorter Straße 68, 47059 Duisburg, Germany · Phone: +34 685 621 176  
Email: [enrmarc@gmail.com](mailto:enrmarc@gmail.com) · Web: [github.com/enrmarc](https://github.com/enrmarc) · LinkedIn: [linkedin.com/enrique-marcos](https://linkedin.com/enrique-marcos)

For the past 4 years I've been working as a software developer in Spain and now I'm finishing my master's thesis in Germany. Focused on Web development but also interested in Computer Science in general. I approach my duties with humility, and *avoid clever tricks like the plague*.

## Professional experience

UNIVERSITÄT DUISBURG-ESSEN

GERMANY

*Researcher*

*Oct '16 —*

Thesis: *Text Mining applied to Learning Analytics*. **Collide** ☞ research group.

COGNIZANT TECHNOLOGY SOLUTIONS

SPAIN AND BELGIUM

*Frontend developer for KBC Bank & Verzekering*

*Aug'14 — Jun'16*

Part of a remote team integrated in an Agile environment, focused on its Web banking application (**KBC Touch** ☞ ) and working on different projects: Current & Savings accounts, Sign up for a new account. With strong focus on usability (making it the **most user-friendly** ☞ banking app in Belgium in 2016). Stack: AngularJS, Jasmine, Git, Atlassian tools, and Node.js based automation tools (Grunt, Gulp).

CRESERTEC S.L.

SPAIN

*Fullstack developer*

*Dec '12 — May '14*

Part of a small team of developers working on several projects (**eCommerce sites** ☞ and REST APIs for mobile apps), involved in all the stages of development: data modeling, backend infrastructure, APIs, frontend design and usability. Also worked on some of its Android applications.

Stack: PHP (CakePHP & Silex), Python, JavaScript, Android (Java), Git, MongoDB, MySQL.

## Education

M.SC. IN COMPUTER SCIENCE. Universität Duisburg-Essen. Germany.

*Oct '16 —*

M.SC. IN COMPUTER SCIENCE. University of Valladolid. Spain.

*Jun '16*

B.SC. IN COMPUTER SCIENCE. University of Valladolid. Spain.

*Jun '12*

## Skills

I started my career using the LAMP stack and then moved to the MEAN stack. I usually work with JavaScript and Python, and more recently Elixir. Experience with Web frameworks like AngularJS and a bit of React. Solid knowledge of Computer Science fundamentals. Immersing myself in functional programming and text mining. Git. Comfortable working on \*nix environments (MacOS, Ubuntu). Spanish (mother tongue), English (full professional proficiency), German (learning).

## Personal Projects

These are some of my personal projects published on Heroku and Google Play Store.

**F** ☞ . Sentiment analysis of the tweets of Valladolid city.

*Apr '15*

**Cassandra** ☞ . Departure times for Palencia's bus lines always right in your pocket.

*Oct '14*
