

ENRIQUE MARCOS

Vorgebirgstraße, 50969 Köln, Germany · Email: enrmarc@gmail.com · Web: github.com/enrmarc
LinkedIn: [linkedin.com/enrique-marcos](https://www.linkedin.com/enrique-marcos)

For the past 5 years I've been working as a software developer in Spain and Germany. Focused on web development but interested in computer science in general. I approach my duties with humility, and *avoid clever tricks like the plague*.

Professional experience

REAL.DIGITAL GERMANY

Software Engineer *Aug '17 —*
Stack: Symfony, Vue.js, RabbitMQ, Git.

UNIVERSITÄT DUISBURG-ESSEN GERMANY

Researcher *Oct '16 — Jun'17*
Thesis topic: Text Mining applied to Learning Analytics. Collide research group.

COGNIZANT TECHNOLOGY SOLUTIONS SPAIN AND BELGIUM

Software Engineer at KBC Bank & Verzekering *Aug'14 — Jun'16*
Part of a remote team integrated in an Agile environment, focused on its Web banking application (KBC Touch). Working on different projects: Current & Savings accounts, Sign up for a new account, Performance. Strong focus on usability (most user-friendly banking app in Belgium in 2016).
Stack: AngularJS, Jasmine, Java, Git, Atlassian tools, and Node.js based automation tools.

CRESERTEC S.L. SPAIN

Software Engineer *Dec '12 — May '14*
Part of a small team building eCommerce sites from scratch, REST APIs and Android apps. Involved in all the stages of development: relational data modeling, backend infrastructure, frontend, UI/UX.
Stack: PHP (CakePHP & Silex), Python (Flask), JavaScript, Java (Android), Git, MongoDB, MySQL.

Education

M.SC. IN COMPUTER SCIENCE. Universität Duisburg-Essen. Germany *Jun '17*

M.SC. IN COMPUTER SCIENCE. University of Valladolid. Spain *Jun '16*

B.SC. IN COMPUTER SCIENCE. University of Valladolid. Spain *Jun '12*

Skills

I started my career using the LAMP stack and then moved to the MEAN stack. I usually work with JavaScript, Python, and PHP. Experience with frameworks like AngularJS, Vue.js, and React. Solid knowledge of Computer Science fundamentals. Functional programming. Text Mining. Git. Comfortable working on *nix environments (MacOS, Ubuntu). Basic DevOps skills.
Spanish (mother tongue), English (full professional proficiency), German (basic).

Personal Projects

These are some of my personal projects published on Heroku and Google Play Store.

F ☞ . Sentiment analysis of the tweets of Valladolid city. *Apr '15*

Cassandra ☞ . Departure times for Palencia's bus lines always right in your pocket. *Oct '14*
